No additives
All natural ingredients

Eurobempet presents a 100% natural, handmade leaf roll stick treat, crafted by Boldpartners in Bangladesh. Made exclusively from tropical natural ingredients — papaya leaf, sugarcane, green papaya and pineapple — this treat delivers both functional health benefits and high palatability for rabbits, guinea pigs, hamsters, chinchillas and other small animals. A clean, honest ingredient story that translates perfectly into premium private label retail positioning.

KEY USP's

100% Natural & Handmade

Carefully handmade for premium quality. Made with natural ingredients only. No artificial colorants, no added sugar, no preservatives.

High Palatability

Naturally sweet tropical aroma. Highly attractive taste for rabbits, guinea pigs, hamsters, chinchillas, and other small animals.

Nutritious Tropical Blend

Supports digestion. Natural fiber intake. Encourages chewing behavior. Rich in natural enzymes.

Supports Dental Care

Firm roll stick texture promotes natural chewing. Aids in maintaining healthy teeth by reducing overgrowth.

Product details & concept gallery
