# Stylish Cat Scratcher

## Why us?

- ✓ The biggest advantage of all our scratchers is that they provide an excellent user experience for cats, completely eliminating the need to lure them with catnip.
- ✓ Typically, they are 20-30% more durable than ordinary scratching boards on the market.
- ✓ Not only a cat scratcher, but also a stylish home decor piece for you.

**\*\*The cats involved in the filming were all adopted strays.**
